

# PARSONAGE RENOVATION FUND DRIVE

At a special meeting on August 23rd, our congregation voted unanimously to fund renovations to the parsonage. These renovations include replacing all external doors, renovating the upstairs main bathroom and a complete renovation of the kitchen.

To fund these repairs, we agreed to hold a drive to recoup \$40,000 in expenses over a three year period. We are asking members to commit donations to help us to achieve this goal. Pledge cards will be made available Sundays with the bulletins, in this version of *The Fellowship*, and in a mailing to homes. In order to track our progress towards the goal, we are asking you to indicate your giving on the pledge card and return it by December 15, 2020.

Donations can be made in a variety of ways: a three year commitment to be given weekly, monthly or yearly or the option to donate via a one-time offering. You can make your donation in your weekly offering envelopes by indicating the amount on the Mortgage/Improvement line, mailing a check to the church with "Parsonage Renovation Fund" in the memo line or online through the Parsonage Renovation Fund "Donate" button on the website.

We ask that you and your family prayerfully consider this request and the need for us to provide a comfortable home for our new pastor, Pastor Chris Halverson and his wife, Lisa. However you and your family opt to support this call, it will be greatly appreciated.

Faithfully yours,  
Fund Drive Committee
