

Print the frame.

Cut the frame out and gently bend the frame to snip the middle.

Using the cut in the center, cut out the center of the frame.

Cut the side and front off an empty cereal box.

Glue picture and frame to box front.

Fold side in half and bend flaps in the same direction. Attach with glue to back of frame.

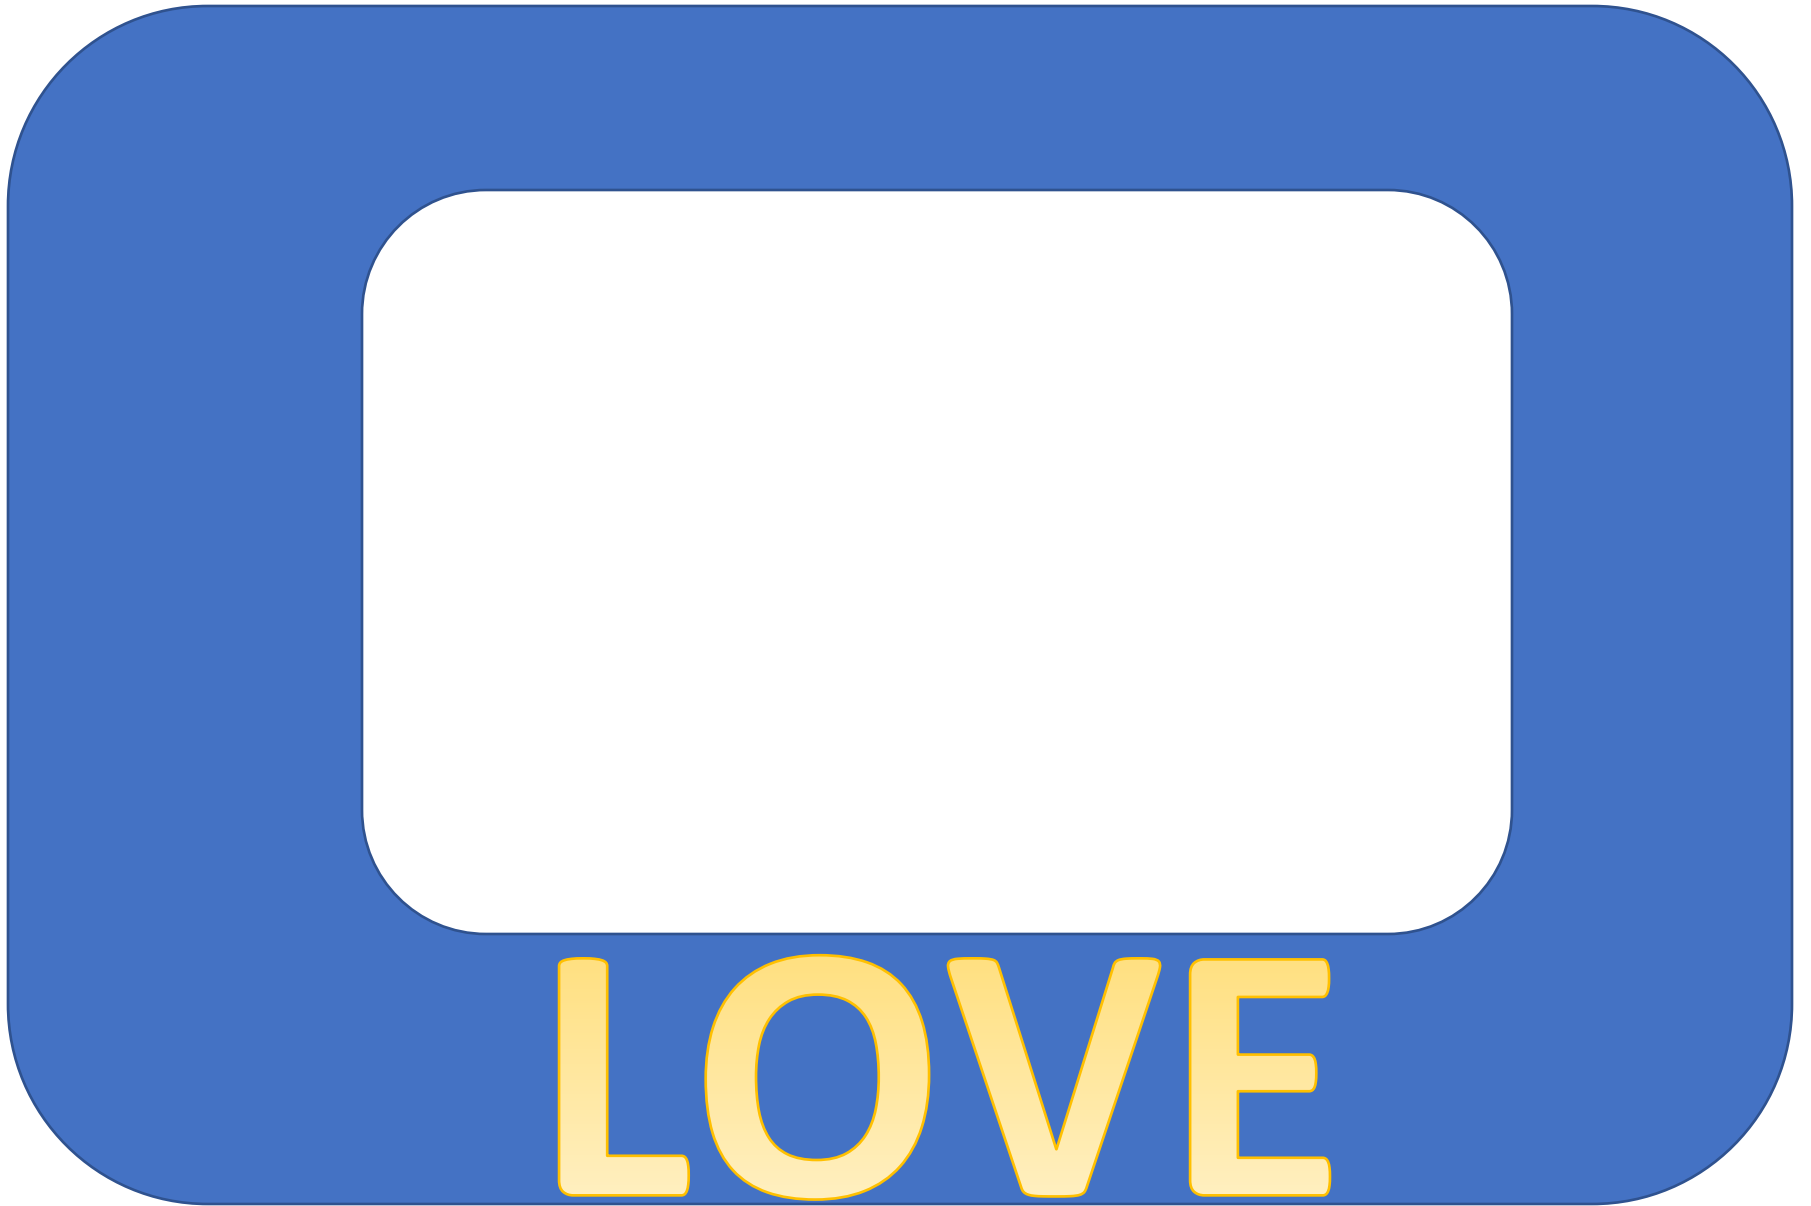

If you don't have a photo, you can draw a picture! Glue it on to the box and cut it out around the frame.

Fold side in half and bend flaps in the same direction. Attach with glue to back of frame.
